CERTIFICATIONS

-  **NPTEL** - Digital Circuits
-  **Coursera** - Electric Power Systems
-  **STEP** - English Language Proficiency
-  **BRITISH COUNCIL ENGLISH SCORE B1**

LINGUISTIC SKILLS

- TAMIL (NATIVE)
- ENGLISH

TECHNICAL SKILLS

- C
- C++ (BASICS)
- JAVA (BASICS)
- MULTISIM
- LABVIEW
- MATLAB

INTERPERSONAL SKILLS

- Sincere & Flexible
- Ambitious
- Steadfastness
- Capable pupil

ELECTRICAL & ELECTRONICS ENGINEERING

PERSONAL PROFILE

A passionate and tenacious engineer with willingness to learn and ready to face the real time problems with coherent solution.

EDUCATIONAL HISTORY

Sri Krishna College of Engineering and Technology
Bachelor of Engineering | August 2017 - Present

CGPA : 8.77 (Upto 5th semester)

M.A.M Matric Higher Secondary School

HSC | June 2016 - April 2017 • **Percentage : 88.75**

SSLC | June 2014 - June 2015 • **Percentage : 97.4**

PROJECTS INVOLVED

- Automatic Activation of Light Based on Luminescence.
- Polyhouse Farming using IOT.
- Digital Frequency Meter.
- College Management System.

AREA OF INTEREST

- Digital circuits

RESPONSIBILITIES HELD

- Event organiser
- Volunteer - National Social Service
- Volunteer - Swachh Bharath Abhiyan

STRENGTHS

- Self motivated
- Sturdy
- Team Work
- Leadership
- Unblemished

WORKSHOPS

- One day workshop on Electric and Autonomous Vehicle Technology at Kumaraguru College Of Technology. Coimbatore
- One Day National Workshop on “Emerging Trends In Battery Energy Storage For E-Mobility Application and it’s Importance in India” conducted by National Power Training Institute (NPTI) Neyveli at Coimbatore.

INTERNSHIPS AND INPLANT TRAININGS

- One day Industrial visit at Hindustan Transformers on construction of transformers, Coimbatore.
- One day Industrial visit at Kaynes International, Mysuru on "PCB Development".
- Undergone training at Swelect Energy Systems Limited on construction of invertors at Edapaddy for a period of 15 days.
